## ERGOFIT 290N LIFEJACKET

Maximum safety and comfort, built in

**With a proven track record from collaborations with world-leading organisations,** the ErgoFit 290N sets a new standard in lifejacket performance. Built upon innovations from search and rescue and offshore transfer models, it features a market-leading, 3-dimensional bladder design for optimal buoyancy and support.

### BENEFITS:

- ✓ MARKET LEADING – High performance, sculpted bladder for superior in-water protection and performance
- ✓ EXOLOK enhances your safety by locking the gas cylinder securely in place
- ✓ Ergonomic, low profile Fusion 3D design provides unmatched comfort, even over heavy clothing, ensuring safety and ease in the most demanding conditions.
- ✓ Perfect adjustment every time with the dual side adjusters enabling compatibility with what you are wearing
- ✓ Integrated Halo hood with easy deployment for enhanced airway protection
- ✓ Quickly check the status of the firing mechanism via an easy-access side zip – no need to unpack and repack the lifejacket
- ✓ Lightweight soft loop D-ring for attaching a safety line
- ✓ Slimline quick lock buckle system to provide easy donning

**“ Wide neck design accomodates  
high collared coats with hoods ”**
