

CREWFIT 150 JNR

INFLATABLE LIFEJACKET

One of the only Fusion 3D designed lifejackets for juniors, helping to ensure your little ones remain as comfortable and safe as possible when out on the water. All components inside the Crewfit 150N Junior have been carefully selected and positioned to provide a compact solution to ensure optimum fit for your ever growing junior.

Safety as always is paramount on the Crewfit 150N Junior, a unique bladder design with a peninsular chin support and light attachment point offers the most advanced performance solutions available today.
