## ERGOFIT 190N LIFEJACKET

A low-profile design with high performance

**Ideal for recreational inshore and coastal cruising**, this stylish and ergonomic lifejacket is a great all-rounder which doesn't compromise on comfort or protection. The sculpted inflatable bladder is designed to quickly rotate you and keep your airway high above the water.

### BENEFITS:

- ✓ MARKET LEADING – High performance, sculpted bladder for superior in-water protection and performance
- ✓ EXOLOK enhances your safety by locking the gas cylinder securely in place
- ✓ Ergonomic, low profile Fusion 3D design ensures you remain comfortable, even for long durations
- ✓ Perfect adjustment every time with the dual side adjusters enabling compatibility with what you are wearing
- ✓ Integrated hood with easy deployment for enhanced airway protection
- ✓ Quickly check the status of the firing mechanism via an easy-access side zip – no need to unpack and repack the lifejacket
- ✓ Lightweight soft loop D-ring for attaching a safety line
- ✓ Slimline quick lock buckle system to provide easy donning

**“ Modular cover system allows  
you to update or replace ”**
